BUMBLE HILL ALPACAS

**Frank & Julienne Gelber
"Clairmount"**

Bumble Hill Alpacas was established in 1995 and has a predominantly white, mid-sized herd (300 head) of suris and huacaya run on two farms. The suris are located at Mangrove Mountain (one hour north of Sydney) and the huacaya herd is farmed near Orange (1100 metres up Mount Canobolas).

Julienne, who is a fleece fanatic/tragic, works the Orange farm whilst Annalisa Tomich (with 18 years of alpaca experience behind her and her own small herd of select suris and huacayas) manages the suri herd at Mangrove Mountain.

Both farms utilize sustainable farm practices – objective management principles overlay an holistic approach to our farming, people and stock. Our farm layouts maximize staff utilization and safety and the comfort and performance of our livestock.

Frank and Julienne relocated to Orange 12 years ago seeking a cooler climate as their huacayas' fleece density increased. The change has been most beneficial for the alpacas and their humans truly enjoy the fellowship of the Central Western (NSW) Region.

Keith & Diana Rutter

KEIANA LODGE are breeding a commercial herd of black huacayas and suris.

The reason for this, is that no other fleece animal comes in this colour naturally. They do have a few greys that make great spinning in a non commercial way and of course a lot of variations of brown.

Keiana Lodge do have white of course as this gives them many different colours in their dyeing process for nuno felting, knitting and crocheting etc.

Keith and Diana have now been in the industry for over 18 years and although they don't do the show circuit as they used to they are still enjoying their animals as much as when they first met alpacas .

Forestglen Alpacas Jennie Carey & Alex Staples

Forestglen Alpaca Stud – for fine genetics - was begun 25 years ago by Maureen Carey, with the purchase of some Chilean females from photos. 3 generations of our family are actively involved: Maureen, retired, stays on farm for births & shearing. Her daughter Jennie & granddaughter Alex Staples are now the principals. The stud has owned some industry standouts: Purumbete Minty, El Dorado & Inti, ILR PPPeruvian Allin Capac, Jolimont Conquistador, Banksia Park Colorado & Zulu Warrior, & bred some gems, such as Forestglen Maestro, Sheer Bliss, Song of Joy, Pendragon, Queen of Diamonds, Angelo, Legacy, Clansman, to list a few. We have always had a focus on fine fleece production & have won 7 Sydney Royal Grand Champion Fleeces.

Valparasio Alpacas Lyn & Terry Sahyoun

Valparaiso Alpacas was begun by Lyn and Terry Sahyoun in October 1999. Originally breeding huacayas, they also now breed suris. they breed for all colours, but are especially enamoured with Greys, Blacks and Browns in both huacaya and suri. They have attended shows for a number of years, taking a break between 2010-2012, but are back and willing to show what their breeding program can do. In 2015, their son Jesse started his own stud, Quintero alpacas. Jesse's aim is to keep his numbers small but his quality high. He also likes the rainbow of colours that Alpacas have.

Lualto Aleksei Solid White Huacaya. IAR152178 DOB 10/01/2010, Service donated by Valparasio Alpacas

Sire: Ambleside Galaxy SW (Windsong Valley Iceman, Windsong Valley Royal Inca, Purumbete Ledgers Dream) Dam: Lualto Alyssa SW (Jolimont Alessio)

Presence plus is what you get with this male. A gorgeous fleece, lustrous, and dense. Solid frame and correct confirmation make this guy a pleasure to put over any female. His cria are a stand out in the paddock. They all have their fathers gorgeous stunning head. He makes leaps and bounds over your "ordinary" females and brings the best out in your best females. Even with a strong white background we are confident of his ability to throw colour, as he had already done so for us. (this progeny available for inspection at the show). We have put him over all colours this year, and cannot wait for his next drop.

A special thanks

I think we all know how much work goes into organising and running a show like the Winter Wonderland and that it is very much a group effort. Organising this year's show was undertaken during challenging personal circumstances and so I just wanted to thank Jennie Menzies and Dale Brown for taking on a lot of the work for me, I am really grateful to them for all their help and support. Thanks also to Erin Marsden for taking charge on the WW Show's Facebook Page. Thanks as always to Janelle Perceval for organising the Stud Sires silent auction and those breeders who have donated a service to their males. Many thanks also to the members whom have sponsored colour or age championships and members who have volunteered their help, it is much appreciated. I hope everyone enjoys coming to Mudgee and has a great show.
